Cornish Farm Touring Park
Conditions of Stay

We want everyone to enjoy their stay at Cornish Farm. We do not want too many rules and regulations but we do want happy, middle of the road campers enjoying a quiet few days. Extremes of any behaviour or practice will not be tolerated and you will be asked to leave.

In short, if you think it is OK that your dogs should be allowed to run around scaring people, barking and making a mess everywhere whilst your children run around screaming and shouting having water fights in the toilets, whilst you sleep of the 3.00am noisy BBQ you enjoyed the night before with your mates that came up from another campsite and parked in everyone else's spot... PLEASE DO NOT COME BECAUSE YOU WILL BE SADLY DISAPPOINTED!

Absolutely no trading from the site.
No trade vehicles allowed on site.
Strictly recreational use only.
No vehicle washing

GROUND SHEETS:

Only ECO MAT can be used allowing grass and light penetration.

No ball games that will interfere with any other guest.
No ball games that will cause any damage whatsoever.
No kite flying on any part of the site – overhead cables.
No digging, cutting, pruning or any other damage to the grounds and surrounding hedges, trees or wildlife.
No excessive noise after 10.30pm (and no noise at anytime that would be considered aggravating to normal people).
Only well behaved animals are welcome. Any animal mess must be cleaned up immediately.
No electric heaters to be used in awnings. If necessary, a meter can be supplied and additional charges applied.
Owing to the high cost of black water disposal an additional charge will be levied on RV owners who are staying with us for less than three days and who wish to use our separate RV Black Water disposal facility.
No car parking on the roadway. Caravans must be placed on the hard standing in such a way as to allow the car to be parked on the same pitch. Cars being towed by motorcaravans must also be parked within the pitch.
Cars, trailers or any other items stored on a second pitch or hard standing will attract a second pitch daily charge.
Any unauthorised parked vehicle or caravan or trailer will be removed by a licensed parking control company with costs and release fees payable.
Please keep children under control and supervised ie: water fights, stone throwing, playing in and around the shower block or anything else that would spoil anyone else's stay at Cornish Farm will not be tolerated.
